**ALL STUDENTS INTERESTED IN EDUCATION OR TEACHER CERTIFICATION MUST COMPLETE:**

**Please choose one of the following programs:**

**Early Grades: P-5 – a four year early grades certification program**

**Middle Grades: 4-8 – the four year middle grades certification program**

Please select two areas from the following:

Language Arts       Mathematics       Science       Social Studies

Note: This four year middle grades certification program is only available for students who declared this major prior to July 1, 2010.

**Middle Grades: 4-8 – Education Studies Major – the five year middle grades certification program including MAT degree**

Students under catalog year 2010 and following who desire middle grades certification should major in **Education Studies** followed by completion of the fifth year Master of Arts in Teaching degree at Covenant. Students from previous catalog years may also major in Education Studies.

Students majoring in Education Studies also need to select two areas from the following:

Language Arts       Mathematics       Science       Social Studies

**Please obtain the signature of Dr. Daphne Haddad if you are pursuing the Education Studies major.**

\_\_\_\_\_  
(Signature of Dr. Daphne Haddad)

**Secondary: grades 6-12 – the four year secondary certification program**

Note: This four year secondary certification program is only available for students who declared this major prior to July 1, 2010.

Please indicate which of the following is your **major**:

English       History       Mathematics Education       Broad Fields Science

If Broad Fields Science, please indicate your concentration:  Biology       Chemistry       Physics

**Secondary: grades 6-12 – the five year secondary certification program including MAT degree**

Students under catalog year 2010 and following who desire secondary certification should major in one of 12 stated content fields and minor in Education followed by completion of the Master of Arts in Teaching degree at Covenant. Students from previous catalog years may also pursue the MAT program.

Please indicate which of the following is your major:

Art                                       Chemistry                               French                                       Physics  
 Biblical Studies                       Economics                               History                                       Spanish  
 Biology                                       English                                       Mathematics                               Theatre

**Note: Your minor is Education.**

**Please obtain the signature of Dr. Jim Drexler or Mrs. Rebecca Dodson.**
