International Studies major

Eight Semester Schedule Planner 2019-2020

This template contains all courses required to complete the bachelor of arts degree with a major in International Studies.

Many core courses are offered both in both fall and spring semesters, as well as in May term. They may be moved around easily in the plan. It is important to keep in mind course sequences and prerequisites. To add a minor, replace Elective courses with the minor courses, being sure to maintain a minimum of 126 earned hours.

The exemption from or completion of six (6) hours of intermediate level foreign language (such as FRE 201 and FRE 202, or SPA 201 and SPA 202) is required prior to pursuing the INS major’s foreign language requirements. Students fluent/native in a foreign language may be eligible for additional exemptions, to be determined in consultation with the Foreign Language Department. The Diversity, Humanities, and Social Science Distribution requirements are typically fulfilled by courses in the major.

Advanced placement (AP) credit for Comparative Politics does not exempt students from POL 200. The advanced placement hours awarded will be credited as electives to the graduation requirement of 126 hours.

INS majors undertake an academic study abroad, usually in the spring semester of the junior year or in the summer between the junior and senior years.

Fall, Sophomore year
BIB 277 Christian Doctrine I ........................................... 3
COR 225 Cultural Heritage of the West I .......................... 3
Intermediate-level Foreign Language 1 ........................... 3

Total ............................................................................. 13

Total hours . . . 126
*Study abroad*
Students may study abroad in the Fall or Spring semester of the junior year, or in the summer between the junior and senior years. Typically, students take at least one UD foreign language elective and one INS UD elective in the study abroad term. Adjustments to this sample course sequence should be made accordingly in consultation with the INS academic advisor.

**Upper-level Research Methods and Theory options**
Complete one of the following:
- CDV 461 Social Science Research Methods I and CDV 462 Social Science Research Methods II
- ECO 465 Econometrics I
